

## Tree of Life

The Tree of Life was presented to Trinity Lutheran Church in memory of Russell and Jean Dietrich by their daughters.

Christian education was very dear to Jean's heart. She taught Sunday School, served as Superintendent, and was very active on the Christian Education Committee for many years. Her desire was to continue supporting Christian education at Trinity.

Jean's daughters followed her wishes by establishing the Tree of Life Project. Proceeds from the sale of the leaves after shipping and engraving costs (approximately \$10) will be used to support education programs at Trinity from nursery to adult.

The tree contains 250 leaves on which the names and important events of Trinity's members and loved ones may be engraved as a permanent legacy in the life of our congregation. Persons for whom leaves are purchased may be members of Trinity or nonmembers who are special to members of Trinity.

If you are interested in purchasing a leaf, please complete the "Leave Your Legacy" form.

After payment is received, your leaf will be sent to W&E Baum for engraving. You will be notified when it has been returned and mounted on the tree.

## Leave Your Legacy

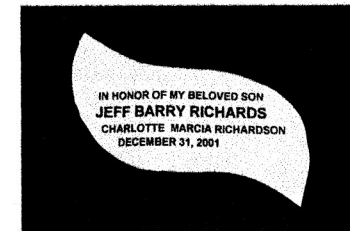

For each leaf purchased for Trinity's *Tree of Life*, return a completed *Leave Your Legacy* form and \$60 (cash or check made payable to Trinity Lutheran Church) to the church office. Proceeds will be used to support Christian education at Trinity.

**Leaf Color:** (Circle one)

Gold Silver Copper No Preference

**Leaf Inscription:** Each leaf is 1.5" x 3.5" and comes with four lines of text. With fewer characters, letters will be larger; more characters, letters will be smaller.
